PINE CITY SUB REP, ST PETERSBURG, FL

Our cute home has had a lot of love poured into it. Throughout the home are beautifully stained real wood floors and new tile. You will enjoy the delicious avocados off of you large, mature avocado tree, as well as the fresh bananas from the banana trees. Your private backyard is a pleasant place to relax, barbeques, and for hanging out in the shade. The detached building is ready for you to make it a man cave, a she shed, or whatever your heart's desire. It even has the potential to be made into a rental apartment for some income. This whole property has been high and dry throughout all of Florida's highest storms, no evacuation has ever been needed from this location. The storm shutters that come with this home never have to be put away, and they provide nice cooling shade all year long to the inside of your home. New homes are popping up all around this neighborhood selling for \$700k and up. You will be close to vibrant Downtown St. Pete with its great restaurants, museums, and night life to enjoy, as well as to Home Depot, Lowes, Publix, and many other great stores, and two I-275 on ramps are just about 15 blocks away in either direction making any commute quick and easy.
